**“In essentials, unity; in doubtful matters, liberty;
in all things, LOVE.” St. Augustine**

At the present moment San Juan Basin Health is recommending the use of masks at large indoor gatherings to prevent the spread of Delta variant of COVID.

“Good is to be done and pursued, and evil is to be avoided” is the first principle of ethical human action as articulated by St. Thomas Aquinas. In the Catechism of Catholic Church in number 1782, the Church teaches that “[All human being] has the right to act in conscience and in freedom so as personally to make moral decisions. ‘He must not be forced to act contrary to his conscience. Nor must he be prevented from acting according to his conscience, especially in religious matters’,” and on 1800 goes further to state that “A human being must always obey the certain judgment of his conscience.” Follow your conscience and respect your neighbor’s decision.

Because we care for you and our community. For the Third time Sacred Heart Church will be hosting a COVID-19 vaccination Clinic on August 22nd from 9am to 3pm. The Mobile Clinic parks behind the Church and appointments are not required.
