Ignacio, CO 81137-1350

August 10, 2022

St. Ignatius Parish,

A heartfelt Thank You to all those who attended our Carmelites 100-year celebration with us, it was great to see so many here to share this monumental celebration. Our Lord has been so good to our parish in many ways and this day was a reminder of how this community of Saints and warriors, have come together in sharing a vision for 100 years.

We look back to learn, to gain endurance and encouragement, so that we can look forward with unity and hope

Commitment and loyalty are what came to mind as we prepared for celebration, to things like gifts of time and labor shared within our church, prayer chains, helping one another and gratitude for the achievements we have made.

Carmelite elders a special thank you for the Love, care, time, and spiritual leadership you have given

Tomorrow, we begin the journey to the next milestone how shall we proceed? How will we glorify God on the way to our next anniversary? Pray for us as we ponder proposals for our next new ministry

Thank you all and may God bless you

Life Loves On,

*Linda Moore*
